N.B.: The nutrition information provided is based on standard product formulations and serving sizes. Variation in serving sizes, preparation techniques, and sources of supply, as well as regional and seasonal differences, may affect the nutrition values for each product. In addition, product formulations change periodically. You should expect some variation in the nutrient content of the products due to the hand-made nature of Noisette artisan breads and pastries and cakes.

The allergen information provided is accurate and up-to-date to the best of our knowledge. It is based entirely on the information provided by our ingredient manufacturers and suppliers. **We have soy, dairy, eggs, nuts and cereals containing gluten present in the manufacturing environment, and there may be cross contact with products because of shared cooking and food preparation equipment.**

No allergen or nutritional information provided by Noisette should ever be considered a guarantee, but simply a good faith effort to serve our customers.

In addition, testing of new recipes of existing products may be conducted from time to time in certain markets. These new
